Agenda

Welcome and Introduction from ENRICH in the USA Centers and industry Hubs followed by a restitution of our updated US Innovation Market Guide on Cyber Security (30 min)

We are delighted to receive special tech stakeholders from San Francisco, CA, Austin, TX and Fairfax, VA representing ENRICH soft-landing Hubs and Centers (US universities included).

Pitch Session (90 minutes)

This pitch session starts with 15 min of reverse pitch from the investors followed by 5 x 15 min pitch from startups (5 min of pitch and 10 min of QA).

All the pitches will be rated by the investors.

The event will be recorded, edited, reviewed (by the presenters/ speakers), and published on our website and social media.
